ABOUT US

Raghavendra Electricals was founded back in the year 1999, Pune India majorly engaged in H.T. /L.T. Installations from 200 KVA to 2000KVA, manufacturing of Electrical Panels for Industries and Commercial spaces. Later in the year 2011 we started the activity in the field of surface coating and painting.

Our sister concern M/S Raghavendra Engineering was started in the year 2025 at Shirwal, Satara for processing of extra heavy Jobs and assemblies.

We are sincerely committed to achieve customer delight & enhance customer relations by providing the highest level of quality of products through the means of aspiration, innovation & technology. We Believe, it is the quality & not the quantity that defines a product. Our organization has achieved an outstanding success in this highly competitive market. We are proud to be an ISO: 9001-2015 Company. We have achieved ISO: 9001-2015 certification through TUV India Private Limited.

We are performing Grit Blasting and painting activities of various M.S/ S.S components for all manufacturing companies, engaged in various sectors like Engineering, Power, Defense, Food Processing, Energy, Process Industry etc. With its top Notch Internationally accredited setup & the experience achieved through years, Raghavendra Electricals today is one of the key sub-contractors in the field of Grit Blasting, Hot Metal spray or metallizing and spray painting.

We are equipped with state of the art Blasting Booth and Painting Booth facility with capability to Blast and Paint extra heavy components of intricate shapes and sizes with Single Piece Lifting & Tilting Capacity of 30,000 Kg and Jobs Dimensions of LxWXH 11 x 7 x 5.5 mtr. We are also equipped with Testing Equipments Facility to test the components we process.

OUR MISSION

To become preferred applicator for our valued customers by providing cost effective and innovative solutions to improve surface protection through world-class product and service technologies.

Our Vision

Continuous improvement in our products & services through proper training & thus improving quality of our services.

Our Policy

To Provide Customer Satisfaction Through Excellence In Quality And On Time Delivery.
